Agenda

- ▶ No official date for full switchover from QCS 2.38 to RMS 3.0 contractor mode
 - ▶ State of the RMS Support Contract
 - ▶ Expect regular updates once per month with many new features
 - ▶ QCS 2.38 Training Video
 - ▶ How Contractor Mode differs from QCS 2.38
 - ▶ Walkthrough of Contractor Mode setup
- 

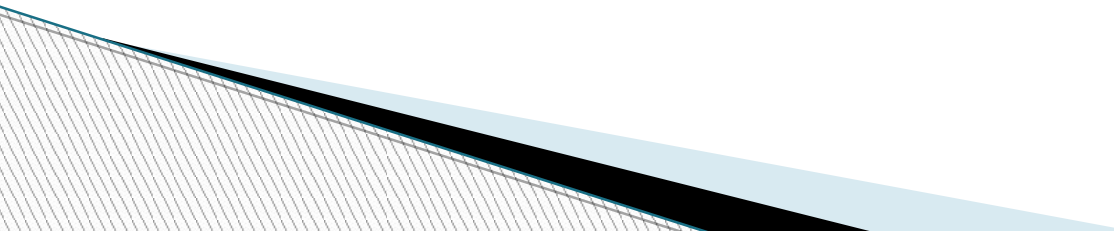

RMS Training Videos

- ▶ Once RMS Contract resolved expect one video a month
- ▶ First Video: Installing QCS 2.38
- ▶ <https://youtu.be/LvOwSRCBOSo>

How Contractor Mode Differs

- ▶ No more QCS Site ID – everything based on Contractor ID
 - ▶ Ability to assign permissions
 - ▶ Instant updates of information (no more imports/exports)
 - ▶ Ability to work offline and upload later
 - ▶ Ability to attach files in many locations
- 

Contractor Mode Walkthrough

- ▶ Each contract must be assigned to a Prime contractor by USACE in RMS 3.0
 - ▶ USACE adds first staff member to contractor staff and sets them as administrator
 - ▶ Contractor sets up permissions for each staff member
 - ▶ Staff member logs in and selects prime contractor to access contracts
-

Contractor Mode

CAC Card logins are the preferred way to login to the system. They come with many advantages including the fact that you will not have to remember and type in your user ID and password each time you access the system. A simple numeric PIN code allows for fast login. Also, they offer better security and privacy and they allow you to electronically sign documents in the system. Ask your USACE contacts to assist you in getting a CAC card for a better experience.

Contractor mode allows user self registration. If you have not registered as a user, you can self register now. Your account will have no permissions until an authorized user grants appropriate permission to you. If you have a CAC card, simply login and you will be registered automatically. If you do not have a CAC card, Click the tile to the left to switch to ID Login and use the hyperlink at the bottom of the page to register.

After login, you will see a list of prime contractors that have included you as a member in their contractor staff. An authorized user will have to include you in the staff and grant appropriate permissions before you can access any contracts.

If you are a prime contractor and this is the first time you have worked with USACE and Contractor Mode RMS, then you will have to contact your USACE District to associate your contract with your login account and to grant permission for you to access your contract.

This is a DOD computer system. Before processing classified information, check the security accreditation level of this system. Do not process, store, or transmit information classified above the accreditation level of this system. This computer system, including all related equipment, networks and network devices (including internet access) are provided only for authorized U.S. Government use. DOD computer systems may be monitored for all lawful purposes, including to ensure their use is authorized, for management of the system, to facilitate protection against unauthorized access, and to verify security procedures, survivability, and operational security. Monitoring includes, but is not limited to, active attacks by authorized DOD entities to test or verify the security of this system. During monitoring, information may be examined, recorded, copied and used for authorized purposes. All information including personal information, placed on or sent over this system may be monitored. Use of this DOD computer system, authorized or unauthorized, constitutes consent to monitoring. Unauthorized use of this DOD computer system may subject you to criminal prosecution. Evidence of unauthorized use collected during monitoring may be used for administrative, criminal or other adverse action. Use of this system constitutes consent to monitoring for all lawful purposes.

**Contractor Mode - Prime Contractor Selection**

You are now logged into Contractor Mode. The list below shows all of the prime contractors who have included you in their staff. To continue, select a prime contractor from the list below. If you are working with a prime contractor that is not displayed in the list below, have your prime contractor verify that your account is correctly configured in the contractor staff view.

After selecting a prime Contractor, you will be presented with a list of contracts for that Prime Contractor.
